

CSP: Our 18th Year of Igniting Passion for Judaism in OC!

Celebrating our 18th year, the Orange County Jewish Community Scholar Program shares the joy of Judaism, builds community, and celebrates our Jewish heritage with a rich adult education program and unique family experiences. Whether we are picking apples for Rosh Hashanah, celebrating Shabbat while camping, clapping along with Jewish Blues or Rock musicians, hosting a community-wide Shabbat Alive outdoors, learning with internationally-known scholars or making life-long Jewish friends at family and adult retreats, CSP has programs to offer for all ages.
